# ALL DAY. EVERY DAY. NO EXCUSES.

With the strongest, most capable Silverado HD ever on your work crew, you'll have the confidence to take on the really big jobs.

Gas and diesel engine options provide the show of strength you expect out of a Chevy truck. You'll appreciate the ability to pull up to 36,000 lbs!<sup>1</sup> (31,400 lbs. as shown) or carry up to 7,442 lbs<sup>2</sup> of payload. Plus, there are available advanced trailering technologies designed to provide peace of mind when you tow. And don't forget the available Multi-Flex Tailgate that combines with the highly functional Durabed to help you work smarter on the jobsite.

The longest days are no match for Silverado HD.

Silverado 3500 HD Crew Cab Long Bed LT 2WD DRW in Black with available features.

<sup>1</sup> Requires Silverado 3500 HD Regular Cab Long Bed LT 2WD DRW with available Duramax 6.6L Turbo-Diesel V8 engine, Max Trailering Package and gooseneck hitch. Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. <sup>2</sup> Requires Silverado 3500 HD Regular Cab Long Bed 2WD DRW. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb.

## AT A GLANCE.

- 6.6L V8 gas engine with Direct Injection and Variable Valve Timing, 401 horsepower and 464 lb.-ft. of torque and 6-speed automatic transmission
- Available Duramax® 6.6L Turbo-Diesel V8 engine with 445 horsepower and 910 lb.-ft. of torque and Allison® 10-speed automatic transmission
- Available integrated Power Take-Off (diesel only)
- 36,000 lbs. of maximum towing capability<sup>1,2</sup> with available Duramax 6.6L Turbo-Diesel V8 engine
- 17,370 lbs. of maximum towing capability<sup>2,3</sup> with 6.6L V8 gas engine
- Maximum payload of 7,442 lbs.<sup>4</sup>
- Standard Durabed with a roll-formed high-strength steel floor that's stronger, lighter and more durable than a traditional stamped steel floor
- Multi-Flex Tailgate is available on all five trim levels and offers six different functions
- Available power-up/-down tailgate
- 8 available cameras provide up to 15 unique views.<sup>5</sup> See page 5 for more information
- Safety Confidence Package, available on 2500 HD WT and Custom and 3500 HD WT, includes Forward Collision Alert,<sup>6</sup> Automatic Emergency Braking<sup>6</sup> and more

Available Multi-Flex Tailgate.

Available underseat storage.

<sup>1</sup> Requires Silverado 3500 HD Regular Cab Long Bed WT 2WD DRW with available Duramax 6.6L Turbo-Diesel V8 engine, Max Trailering Package and gooseneck hitch. <sup>2</sup> Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. <sup>3</sup> Requires Silverado 2500 HD Regular Cab Long Bed with 17" wheels and available gooseneck/fifth-wheel hitch. <sup>4</sup> Requires Silverado 3500 HD Regular Cab Long Bed 2WD DRW. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. <sup>5</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. Some camera views require available accessory camera and installation. Not compatible with all trailers. See your dealer for details. <sup>6</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information.

## TOW WITH CONFIDENCE.

Silverado HD offers advanced towing tech to give you peace of mind when you're pulling a heavy load.

- Standard Trailering Package includes a trailer hitch with a 2.5-inch receiver and a 2-inch insert, a 7-pin wiring connector and Hitch Guidance<sup>1</sup>
- Vertical trailering mirrors are standard on all trims
- Additional standard features include StabiliTrak® with Electronic Trailer Sway Control and Hill Start Assist, Tow/Haul mode and Auto Grade Braking
- Optimized cargo bed rail height allows clearance for fifth-wheel and gooseneck trailers
- Integrated BedSteps enable easy access to the front of the bed, even with a fifth-wheel or gooseneck trailer hitched
- Trailering Information Label located on the driver-side door jamb provides vehicle-specific information along with vital towing capabilities
- The available Advanced Trailering System with an In-Vehicle App<sup>2</sup> offers customized trailer profiles, pre-departure checklists, trailer lighting diagnostics, a Trailer Tire Pressure Monitoring System<sup>3</sup> module, and the ability to create and sync trailer profiles with the myChevrolet Mobile App<sup>4</sup>
- Additional available features include Trailer Theft Alert, Electric Parking Brake hookup assist and Brake Gain Memory on the integrated trailer brake controller

Silverado 3500 HD Crew Cab Long Bed LT 2WD DRW in Black with available features.

Available Advanced Trailering System.

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. <sup>2</sup> App functionality and features vary with vehicle equipment and trim level. Data connection may be required. Some features require active service plan and working electrical system. User terms and limitations apply. <sup>3</sup> Requires available Trailer Tire Pressure Monitor Sensors. <sup>4</sup> Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Terms apply. Device data connection required. Actual images and features may vary and are subject to change.

## PUTTING THE FOCUS ON CAMERA TECHNOLOGY.

Silverado HD offers advanced camera technologies, with 8 available cameras that give you up to 15 unique views! From hitching to driving to parking, these features are designed to help make your towing job easier from start to finish.

*Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.*

*1 Some camera views require available accessory camera and installation. Not compatible with all trailers. See your dealer for details. 2 Requires available Chevrolet Accessory Camera and installation. Customers can see their dealer for full details.*

- Four available hitch views

- Hitch View
- Surround View
- Rear Top-Down View
- Bed View

- Six available driving views

- Transparent Trailer View<sup>2</sup>
- Front Camera View

## Trailering Guide >

<sup>1</sup> Maximum Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, passengers, cargo and equipment. <sup>2</sup> These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. <sup>3</sup> Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. <sup>4</sup> Requires WT with available Max Trailering Package.

# STANDARD EQUIPMENT

Standard on every Silverado HD:

MECHANICAL
Air filter – heavy-duty with air filtration monitoring
Battery – heavy-duty
Brakes – 4-wheel antilock disc with Duralife® brake rotors and brake lining wear indicator
Cooling – external engine and transmission oil coolers
Differential – automatic locking rear
Engine – 6.6L V8 gas with Variable Valve Timing (VVT) and Direct Injection
Frame – fully boxed frame with hydroformed front section
StabiliTrak – Electronic Stability Control System and Traction Control; includes Electronic Trailer Sway Control and Hill Start Assist
Trailer Information Label – provides maximum trailer ratings for tongue weight and conventional, gooseneck and 5th-wheel trailering
Trailer Package – trailer hitch with 2.5-inch receiver and 2-inch insert, 7-pin wiring connector and Hitch Guidance <sup>1</sup>
Transmission – heavy-duty 6-speed automatic
EXTERIOR
BedSteps – integrated on forward portion of bed on driver and passenger side
Bumper – rear CornerSteps
Cargo area lighting – integrated with center high-mounted stop lamp
Daytime running lamps – automatic on/off with automatic delay
Fuel filler – capless fueling (gas engine only)
Pickup bed – Durabed
Tailgate and bed rail – protection cap
Tie-downs – 12 fixed cargo tie-downs, rated at 500 lbs <sup>2</sup> per corner
Tire – carrier lock
Tire – full-size spare

INTERIOR
Air conditioning
Air vents – rear, heating/cooling (Double Cab and Crew Cab)
Airbags <sup>3</sup> – dual-stage frontal airbags for driver and front outboard passenger; seat-mounted side-impact airbags for driver and front outboard passenger; head-curtain airbags for front and rear outboard seating positions; includes front outboard Passenger Sensing System for frontal outboard passenger airbag
Assist handles – driver and front passenger, A-pillar (Regular Cab, Double Cab and Crew Cab); rear passenger, B-pillar (Double Cab and Crew Cab)
Connectivity – Bluetooth® phone connectivity and wireless audio streaming <sup>4</sup>
Display – outside temperature, located in infotainment display
Door locks – manual (Regular Cab); power programmable with lockout protection and manual rear door child security (Double Cab and Crew Cab)
Instrument cluster – 6-gauge with speedometer, fuel level, engine temperature, tachometer, voltage and oil pressure
Media – two USB ports <sup>5</sup> on instrument panel
Power outlet – 12-volt auxiliary, front
Rear Seat Reminder <sup>6</sup> (Double Cab and Crew Cab)
Teen Driver technology <sup>1</sup>
Tire Pressure Monitoring System – with Tire Fill Alert (does not apply to spare tire)

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. <sup>2</sup> These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb.

<sup>3</sup> A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

<sup>4</sup> Go to [my.chevrolet.com/learnAbout/bluetooth](http://my.chevrolet.com/learnAbout/bluetooth) to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model and software version. <sup>5</sup> Not compatible with all devices. <sup>6</sup> Does not detect people or items. Always check rear seat before exiting.

<sup>1</sup> A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.  
<sup>2</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. <sup>3</sup> When you select a monthly plan within 15 days of activating your 1-month trial, you'll receive the next 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change. <sup>4</sup> If you decide to continue service after your trial, your selected subscription plan will automatically renew thereafter. You will be charged at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. <sup>2</sup> Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. <sup>3</sup> When you select a monthly plan within 15 days of activating your 1-month trial, you'll receive the next 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change. <sup>4</sup> Does not detect people or items. Always check rear seat before exiting.

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. <sup>2</sup> When you select a monthly plan within 15 days of activating your 1-month trial, you'll receive the next 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change. <sup>3</sup> Service varies with conditions and location. Requires active service and paid AT&T data plan. Visit onstar.com for details and limitations. Availability subject to change. <sup>4</sup> Standard connectivity available only to original purchaser for up to 10 years. Connected Access services are subject to change. Does not include emergency or security services. Diagnostic capabilities vary by model and service plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Visit onstar.com for details and limitations. <sup>5</sup> If you decide to continue service after your trial, your selected subscription plan will automatically renew thereafter. You will be charged at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. <sup>6</sup> Not compatible with all devices. <sup>7</sup> Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. <sup>8</sup> Third-party trademarks are the property of their respective third-party owners and used under agreement. Requires active service plan and paid AT&T vehicle data plan. Visit onstar.com for details and limitations. <sup>9</sup> Certain features require a SiriusXM subscription and the Chevrolet Connected Access plan. See siriusxm.com and onstar.com for details and limitations.

# ALWAYS READY FOR OVERTIME.

You know what Chevrolet Commercial Vehicles call 9 to 5? A decent start. Our lineup is ready to make light work of a long week, led by the powerful and dependable Silverado 1500 and Silverado HD, plus Silverado 3500 HD Chassis Cab. And let's not forget the strength of medium-duty Silverado 4500 HD/5500 HD/6500 HD Chassis Cabs, the maneuverability of the Low Cab Forward series and the utility of Express Vans. It all adds up to an unbeatable crew that never stops working.

## COMMERCIAL PROGRAMS

### ONSTAR BUSINESS SOLUTIONS

OnStar Business Solutions is a family of products that offers insight to help find efficiencies, foresight to make better decisions, and confidence in knowing your people and your assets are protected and connected. Learn more at [onstar.com/BusinessSolutions](http://onstar.com/BusinessSolutions).

Manage the way your business moves with OnStar Vehicle Insights™<sup>1</sup> by OnStar Business Solutions. You can see your fleet in real time and receive actionable information to make more informed decisions. Learn more at [onstarvehicleinsights.com](http://onstarvehicleinsights.com).

### BUSINESS ELITE DEALERS

These specialized dealers are staffed with commercially focused teams that provide the support and service necessary to help build and maintain your vehicle fleet. In addition, these experts are dedicated to helping you configure the right vehicles for the job to give your business a competitive edge.

Just as importantly, every Business Elite service department has the facilities, tools and technicians for your needs. Learn more at [chevrolet.com/commercial/business-elite](http://chevrolet.com/commercial/business-elite).

<sup>1</sup> Terms apply. Available on select properly equipped 2015 model year and newer GM vehicles (excludes Volt, Low Cab Forward Trucks and GM vehicles built without OnStar Hardware, which includes but is not limited to select base Chevrolet and GMC trucks). Requires an active connected vehicle services plan. Fees, services, and availability subject to change without notice. Applicable taxes not included. Does not include emergency or security services. Diagnostics capabilities vary by vehicle model. Not all issues will deliver alerts. See [onstarvehicleinsights.com](http://onstarvehicleinsights.com) for details and limitations.

<sup>1</sup> To avoid the risk of injury, never use recovery hooks to tow a vehicle. For more information, see the Recovery Hooks section of your Owner's Manual. <sup>2</sup> Chevrolet Accessories are dealer-installed and covered by the GM 3-year/36,000-mile (whichever comes first) New Vehicle Limited Warranty when ordered with your new Silverado. See your dealer for details.

You may also want to consider Silverado 3500 HD Chassis Cab. For more details, go to [chevrolet.com/commercial](https://chevrolet.com/commercial).

## IMPORTANT INFORMATION.
