INFINITI.

TAKE ON LIFE IN STYLE

A fulfilling life is always on and ever-changing. And you wouldn't have it any other way, right? The 2023 INFINITI QX60 is ready to help you balance every invigorating facet – in style. This is a true 3-row luxury SUV for the life you live – going from carpool to concert hall in the blink of an eye, it's aesthetically beautiful while unbelievably functional. Beyond versatility, the QX60 offers a robust suite of driver assistance and safety technologies that will put your mind at ease.¹ With calm restored, your vehicle becomes a productive space that keeps you connected and focused on the future. Because it's not the challenges and successes in the rearview mirror that count, but the opportunities emerging on the horizon.

LUXURY SHOULD BE LIVED IN

^ MOVE WITH DISTINCTION **1** 18 X 8-inch Charcoal Metallic Machine-Finished Aluminum-Alloy Wheels **2** 20 X 8-inch Dark Silver Machine-Finished Aluminum-Alloy Wheels** **3** 20 X 8-inch Charcoal Metallic Machine-Finished Aluminum-Alloy Wheels**

^ DON'T JUST ILLUMINATE. SHINE. The QX60 headlights and taillights are marked by crisp segments like the keys of a piano, each lit by deep-set LEDs and a reflector that illuminate with a uniform glow rather than pinpoint spots of light. And with the available Vision Package, the Adaptive Front lighting System² can turn your low-beam headlights the direction you're steering, assuring you shine wherever you're headed.

^ STYLE SETS THE TONE The first thing people will notice about the QX60 is its presence, exuding strength and sophistication. But when you look closer, you see a timeless design philosophy expressed in its simplicity, grace and powerful minimalism. The sleek lines combine with a roof that looks like it's floating on glass to weave a luminescent, futuristic style that will stop people in their tracks. Or turn heads with the AUTOGRAPH's all-black roof² for a canopy that appears seamless, without a hint of visible body color but with a full statement of personality.

DOWN TO THE LAST DETAIL

In ways grand and small, the uncluttered and incredibly open interior offers an overwhelming sense of calm the first time you get in, a feeling that repeats every time you get in. It flows from a philosophy that's as much about what's not there as what is. Of course, what's inside – like front seats with NASA-inspired support, available 2nd-row captain's chairs with first-class comfort and exquisite quilting that carries all the way up to the dash² – tells you that no detail has been forgotten.

NEVER MISS A CONNECTION

INFINITI InTouch[®] with wireless Apple CarPlay^{®4} integration lets you enjoy iPhone[®] on the QX60 touch-screen without plugging in. Seven devices can connect to the Wi-Fi hotspot.⁴ And there are up to seven USB ports,² including two in the third row on SENSORY and AUTOGRAPH trims.⁵

FLEXIBILITY AT YOUR FINGERTIPS

The QX60 adapts to your busy life with ease. The 2nd-row seats tilt and slide forward, even with a child seat in place.⁶ Raise the 3rd-row seat using one finger with the available power return feature.⁷ Access the cargo area with a wave of your foot, prompting the available Motion Activated Liftgate.

TECH THAT SIMPLIFIES TRAVEL

Available ProPILOT Assist with Navi-link^{2,3} can help take away some of the minutiae of stop-and-go highway driving by automatically braking and accelerating to match the flow of traffic. Using the navigation system⁸ to "anticipate" curves and interchanges, it helps slow you for your turn or exit. Beyond easing the burden, the QX60 can give you peace of mind with features like Predictive Forward Collision Warning,⁹ which can monitor two cars ahead to warn you of a potential collision. And Rear Automatic Braking¹⁰ can help stop you from backing into a large stationary object. Because the less you worry about the chaos around you, the more you can connect to those who are with you.

1 INFINITI drive assist technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. 2 Available on select models. 3 ProPILOT Assist with Navi-link cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information. 4 Available feature shown. Use feature only when safe and legal. Compatible device and service required. Subject to third party service availability. For more information see www.infinitusa.com/intouch/legal. 5 Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. 6 Do not perform slide forward function with the Child Restraint System occupied. 7 When operating the rear power-seatback return, make sure that the vehicle is stopped and the transmission is in the P (Park) position. 8 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. 9 Predictive Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. 10 Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. 11 RearView Monitor and Smart Rearview Mirror may not detect every object and do not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. 12 Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. 13 Do not ride in a moving vehicle when the seatback is reclined. For the most effective protection, the seat should be upright. See Owner's Manual for safety information. 14 Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. 15 Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. 16 Forward Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. 17 Lane Departure Warning and Lane Departure Prevention only operate when lane markings are detectable. See Owner's Manual for safety information. 18 Blind Spot Warning and Blind Spot Intervention cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. 19 Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. 20 Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. 21 Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. 22 Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all time so full attention may be given to vehicle operation. 23 Remote Engine Start System to be used only in accordance with any laws or rules in effect in your vehicle's location. 24 Around View® Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for important safety information. 25 Traffic Sign Recognition may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. See Owner's Manual for details. 26 Driver Attention Alert cannot provide a warning in every situation. See Owner's Manual for safety information. 27 The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system can sense exterior odors, can suppress unpleasant interior odors, can stop the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. 28 Up to 6,000 lbs. maximum towing capacity for 2023 QX60 SENSORY AWD and 2023 QX60 AUTOGRAPH AWD when properly equipped. Towing capacity varies by configuration. See INFINITI Towing Guide and Owner's Manual for additional information. Always secure cargo. 29 Towing capacity varies by configuration.
