

Go beyond zero.

Get ready for a new way to take on the day.

Introducing the first-ever, all-electric Toyota bZ4X.

Designed to be more than just a sleek SUV with modern innovations, bZ4X is focused on enhancing the driving experience and elevating the connection to your world. It's time to go "beyond Zero" and discover a better future just around the corner.

Plug and play.

Experience the smooth acceleration, instant torque delivery and quiet drive of bZ4X. Powered by its electric motor — one for front-wheel-drive models and two for all-wheel-drive models — you'll enjoy a confident drive that's always ready for what the day has to offer.

All-Wheel Drive with X-MODE

Whether helping you navigate through a downpour or hug the curves of a winding road, bZ4X's available AWD capability gives you confidence to stay the course. And with the push of a button, X-MODE maximizes bZ4X's AWD potential. By adjusting drive force, braking and throttle input, you'll enjoy its impressive performance in tougher conditions.

e-TNGA platform

bZ4X will be the first Toyota vehicle to utilize the brand-new e-TNGA (Toyota New Global Architecture) platform. Made specifically for Toyota electric vehicles, this structure allows for more space that you can feel in the cabin and provides a solid foundation for outstanding driving performance, ride comfort and stability for the road ahead.

Powerful electric motor

bZ4X takes advantage of an electric powertrain by delivering almost instantaneous torque to a drive that comes naturally. Front-wheel-drive models use one electric motor to produce 201 hp with 196 lb.-ft. of torque, while all-wheel-drive models harness two electric motors to deliver 214 hp with 248 lb.-ft. of max torque to both axles combined.

BATTERY PERFORMANCE

Powered to take on every day.

From daily commutes to trips around town, find yourself getting things done. Thanks to a meticulous production process and multiple monitoring systems, bZ4X's batteries are designed to have a battery capacity retention of 90% after ten years of ownership. Add a reputation for build quality, and you can feel confident your bZ4X will be there for you, day in and day out.

With bZ4X's EPA-estimated driving range of up to 252 miles for front-wheel-drive models and up to 228 miles for all-wheel-drive models, you can enjoy all the fun of electric driving, knowing it's a Toyota.

Easy as one, two, three.

Charging bZ4X is as easy as plugging in your smartphone. Included is a portable 120V AC charger (Level 1) that simply plugs into a standard household outlet to charge. For faster charging times, bZ4X is compatible with and can be plugged into a 240V AC charger (Level 2) or DC Fast Charging.

LEVEL 1 – 120-Volt AC Charging

A great pick for drivers with short commutes.

You can charge anywhere there is a common household 3-prong outlet.

LEVEL 2 – 240-Volt AC Charging

The best setup for faster charging at home.

Can be installed at home by a licensed electrician. ChargePoint® and Qmerit offer possible charger and installation options.

You can also find Level 2 chargers at public charging stations nationwide.⁴⁷

LEVEL 3 – DC Fast Charging³

Under ideal conditions, it can be the quickest way to charge up on the go.3

Currently only available at public charging stations.⁴⁷

EXTERIOR

Sharp looks with purpose.

Aerodynamic performance

Lower front bumper vents and a fully covered underbody help air flow around the front and under the vehicle. The aerodynamic design is finished off with a streamlined rear that features a rear lip spoiler and an available split roof rear spoiler.

Striking design

Sleek character lines that flow from front to back, and an athletic stance, give bZ4X a look that's unmistakable.

20-in. alloy wheels

bZ4X's available 20-in. machine-finished alloy wheels do more than accentuate its powerful SUV stance — they command your attention.

Centered around you.

Discover refined comfort inside bZ4X's modern design. With its soft-touch materials and an instrument panel that puts all your system controls within reach, the future will always look optimistic.

Premium interior

Gain a sense of luxury every time you enter bZ4X. From its standard leather-wrapped steering wheel to the personalized comfort of available heated and ventilated front seats, you'll feel the dedication in every detail.

Inviting space

bZ4X's interior exudes a feeling of warmth and comfort. Its open layout creates a cabin space that naturally provides impressive leg room for everyone and makes no compromise on convenience.

Fixed panoramic moonroof

The future looks brighter in bZ4X. Just open its power sunshade that spans across the roof. And whether sitting in the front or rear seats, you can always gaze at the stars or let the sunshine in.

Discover more ease in every drive.

Experience a drive that's more effortless, with a connection that caters to your needs. Standard Qi wireless charging⁶ and five USB ports⁷ let you personalize your experience and power up a variety of devices to keep you going. That versatility and added convenience help simplify every movement, for a more captivating drive.

Top-mount Multi-Information Display

Information that meets the eye. bZ4X's top-mount Multi-Information Display is placed right above the steering wheel to clearly give you vehicle details, outside temperature, driver assist systems and more—all to help keep your eyes on the road ahead.

12.3-in. Toyota Audio Multimedia touchscreen display

bZ4X's standard 12.3-in. Toyota Audio Multimedia touchscreen display seamlessly rises from the center console, for a modern look. Here, you can control a variety of functions with an intuitive touch. Clearly see where you're going with turn-by-turn directions, access multimedia functions, and connect your smartphone to enjoy your favorite apps, playlists and more.

Intelligent convenience

From rain-sensing wipers that automatically activate when the windshield gets too wet, to an auto-dimming rearview mirror that reduces glare, you'll feel an ease with every drive. And to raise your comfort efficiently, bZ4X's Eco function uses less overall energy by adjusting the air temp for front passengers while an available radiant foot-and-leg heater can quickly warm you up.

Amplify your drive.

Enhance every drive with an experience that's all about you. Whether enjoying the sounds of your favorite soundtrack or interacting with an interface that you're familiar with, you'll always be surrounded by comfort.

JBL® Premium Audio System

Immerse yourself in quality sound with bZ4X's available JBL®5 Premium Audio system. A 9-speaker, 800-watt audio system, equipped with a subwoofer, it provides phenomenal sound that amplifies every drive.

Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android™¹¹ phone with the audio multimedia system, Android Auto™¹¹ lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

Wireless Apple CarPlay®

Bring along a familiar face. With bZ4X's wireless Apple CarPlay®8 compatibility, you can use your compatible iPhone®9 with the multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel.

SiriusXM® Platinum Plan 3-month trial

With a SiriusXM® 3-month Platinum Plan trial subscription, you get 425+ channels, including 165+ channels in your vehicle, to listen to ad-free music, plus sports, news, comedy and more. Innovative features in the bZ4X make it even easier to search, discover and listen than ever before, through personalized channel recommendations curated just "For You." Plus, the Live Sports category puts all your games and teams in one place for easy access.

Technology that keeps up with you.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. Trial periods included for the listed connected technologies. Subscription required upon expiration of each trial period:*³¹

Safety Connect®

Round-the-clock help when the unexpected happens.14

- ✓ Emergency Assistance Button (SOS)
- ✓ Enhanced Roadside Assistance¹⁵
- ✓ Automatic Collision Notification
- ✓ Stolen Vehicle Locator¹6
- ✓ Collision Assistance

Service Connect

Being proactive to help keep your vehicle in peak condition!⁷

- ✓ Vehicle Health Report
- ✓ Vehicle Maintenance Alert
- ✓ Maintenance Reminder

Wi-Fi Connect

Turn your Toyota into a hotspot with 4G connectivity.¹⁸

- ✓ AT&T Hotspot
- ✓ Integrated Streaming for Apple Music^{®19} and Amazon Music^{™20}

Drive Connect

Enhanced features to get you where you need to be.21

- ✓ Destination Assist²²
- ✓ Intelligent Assistant
- ✓ Cloud Navigation

Remote Connect

Manage your vehicle, including remote start and much more.²³

- ✓ Digital Key⁵⁷ (if compatible)
- ✓ Remote Vehicle Start
- ✓ Unlock/Lock
- ✓ Remote Notifications
- ✓ Remote Climate
- ✓ Remote Charging
- ✓ Guest Driver
- ✓ Smartwatch Compatibility²⁴
- ✓ Amazon Alexa²⁵ and Google Assistant^{™26} Capability

^{*}To view included trial details, please visit toyota.com/connected-services.

Ready when you are.

With intelligent tech that looks out for you and helps you make the most of your connection, bZ4X is ready to help keep your adventures going. Add comprehensive active and passive safety features, and drive on with confidence.

Blind Spot Monitor with Rear Cross-Traffic Alert

The Blind Spot Monitor (BSM)²⁷ is designed to warn you when a vehicle in the next lane enters bZ4X's blind spot on either side of the vehicle. And when you're in reverse, the Rear Cross-Traffic Alert (RCTA)²⁸ helps detect vehicles approaching from either side, warning you with side mirror indicators and a warning tone.

Onboard charging cable

Find a charge almost anywhere you go. All you need to do is plug bZ4X's included Level 1 charging cable into any standard household outlet to charge. And when not in use, it simply stows away in the storage compartment.

Bird's Eye View Camera

bZ4X's available Bird's Eye View Camera²⁹ with Perimeter Scan helps you check your surroundings for hazards. It uses four cameras, one on each side of the vehicle, to display a bird's-eye view of the exterior on the touchscreen display. When you're parked and using the Moving View setting, bZ4X creates an animated virtual view from above to give you a bigger picture of what's around.

Toyota app connectivity

Take advantage of what your smartphone can do for you. With Toyota Connected Services, 1 the Toyota app gives you the ability to manage and stay connected to your bZ4X when you're away from it. Keep track of your vehicle's charge, find the nearest public charging station and more — for added peace of mind while on the go.

Hands-free power liftgate

Powered to help you out. With the push of a button, the available hands-free power rear liftgate³⁰ can be opened and closed automatically. When your hands are full, bZ4X senses your Smart Key fob and opens automatically when you wave your foot under the center of the rear bumper.

Digital Key compatibility

Convenience at hand. Remote Connect's²³ Digital Key,⁵⁷ available on bZ4X Limited, can detect your *Bluetooth®*-connected³² smartphone, enabling you to lock/unlock and start/stop your vehicle. You can even share your Digital Key with others through the Toyota app to give them the same access to your bZ4X when you're away.

TOYOTA SAFETY SENSE™ 3.0 (TSS 3.0)

Peace of mind comes standard.

Toyota Safety Sense[™] 3.0 (TSS 3.0)³³ is the latest bundle of active safety features included at no additional cost. These innovative features were designed to help protect you and your passengers from harm.

Pre-Collision System with Pedestrian Detection³⁴

Full-Speed Range Dynamic Radar Cruise Control³⁵

Lane Departure Alert with Steering Assist³⁶

Automatic High Beams³⁷

Lane Tracing Assist³⁸

Road Sign Assist³⁹

bZ4X MODELS

XLE

Includes these key features

Mechanical/Performance

- ✓ AC synchronous electric generator
- ✓ Total system power output: 201 hp (FWD); 214 hp (AWD)
- ✓ Total system max torque: 196 lb.-ft. (FWD); 248 lb.-ft. (AWD)
- ✓ Zero Emission Vehicle (ZEV)
- ✓ Front-Wheel Drive (FWD)
- ✓ Available All-Wheel Drive (AWD)
- ✓ X-MODE with Snow/Dirt, Deep Snow/Mud and Grip Control modes (AWD only)
- ✓ Regenerative braking with Boost and Eco drive modes

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic Warranty: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain Warranty: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Restraint Warranty: 60 months/60,000 miles

Corrosion Perforation Warranty: 60 months/unlimited miles (corrosion perforation of sheet metal).

Electric Vehicle Drive Components Warranty: 96 months/100,000 miles

Emissions: Coverages vary under Federal and California regulations. Refer to applicable Warranty and Maintenance Guide for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

ChargePoint® Home stations by ChargePoint® (Manufacturer) Warranty: Home Flex EV Charger is covered by ChargePoint® Manufacturer's Warranty: 3-year parts warranty⁴²

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

DISCLOSURES

1. Extra-cost color. 2. EPA-estimated 252-mile total driving range rating for 2023 bZ4X XLE FWD; 242-mile total driving range rating for 2023 bZ4X Limited FWD; 228-mile total driving range rating for 2023 bZ4X XLE AWD; and 222-mile total driving range rating for 2023 bZ4X Limited AWD total driving range for when vehicle is fully charged and operated under ideal driving conditions. Use for comparison purposes only, Actual range may decrease significantly depending on speed, outside temperature, accessory use, how/where you drive, charging habits, and other factors, Battery capacity also decreases with time and use, which will reduce range. See www.fueleconomy.gov and Owner's Manual for details, 3, DC (Fast) Charging DC charging times are estimated based on ideal charging conditions. As temperatures decrease below 50 degrees Fahrenheit, charging time will increase significantly. For the bZ4X AWD model, charging may slow down more than other models in weather conditions below 32 degrees Fahrenheit and may not be possible when the temperature drops to around -4 degrees Fahrenheit and below. Drive battery level and condition, charger specifications and DC charging more than twice per day also can negatively affect charging time. 4. SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 5. JBL® is a registered trademark of Harman International Industries, Inc. 6. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. 7. May not be compatible with all mobile phones, MP3/WMA players and like models. 8. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected wirelessly to the vehicle. Apple CarPlay® is a registered trademark of Apple Inc. 9. iPhone® is a registered trademark of Apple Inc. All rights reserved. 10. Android is a trademark of Google LLC. 11. Android™ and Android Auto™ are trademarks of Google LLC. To wirelessly use Android Auto™ on your car display, you need a compatible Android™ smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. 12. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy; visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 13. Do not rely exclusively on Safe Exit Assist. Always look for approaching traffic before exiting the vehicle. There are limitations to the function, detection and range of the Safe Exit Assist system. See Owner's Manual for additional limitations and details. 14. Safety Connect® depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Requires app download/registration and subscription after trial (if applicable). Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in Owner's Manual and at toyota.com/connected-services for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Safety Connect® trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. 15. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions. 16. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331. 17. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Requires app download/registration and subscription after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in Owner's Manual and at toyota.com/connected-services for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. Service Connect's, Remote as a stand-alone service and requires a subscription to any of Safety Connect's, Remote Connect or Drive Connect upon trial expiration. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect., Remote Connect or Drive Connect upon trial expiration. 18. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Terms of Use apply. The Wi-Fi Connect trial begins at the time of enrollment and expires when 30 days or the earlier of 3GB of data is used or the 1-month period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Terms of Use apply. 19. Apple Music and the Apple logo are trademarks of Apple Inc., registered in the U.S. and other countries. Requires Wi-Fi Connect subscription after trial (if applicable) and your own Apple Music account. 20. Amazon Music, and all related marks are trademarks of Amazon Technologies, Inc. or its affiliates. 21. Drive Connect availability and accuracy depend on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Services subject to change at any time without notice. Requires app download/registration and subscription required after trial (if applicable). Terms of Use apply. See Owner's Manual and https://www.toyota.com/connected-services/for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Drive Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial (if applicable) to access the service. Terms of Use apply. 22. Destination Assist depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See Owner's Manual and toyota.com/connected-services for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 23. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Toyota Owner's Manual and at https://www.toyota.com/connected-services/ for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply. 24. Not all smartwatches are compatible with Remote Connect: Samsung Gear, Fitbit, Garmin are not compatible. 25. Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and/or smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Toyota app and Toyota+Alexa app are both required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps and services subject to change at any time without notice. To learn more, go to https://www.toyota.com/audio-multimedia. To learn more about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/ privacyvts/. 26. Google is a trademark of Google LLC. 27. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner's Manual for additional limitations and details. 28. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner's Manual for additional limitations and details. 29. The Bird's Eye View Camera does not provide a comprehensive view of the area surrounding the vehicle and you should also look around the vehicle, using mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details. 30. Installation of a tow hitch receiver or other accessories located near the rear bumper or side door kick sensors, may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. 31. Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in Owner's Manual and https://www.toyota.com/connected-services/ for additional limitations and details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. 32. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 33. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for additional limitations and details. 34. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for additional limitations and details. 35. Full-Speed Range Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness

DISCLOSURES

is dependent on many factors including road, weather and traffic conditions. Vehicles with manual transmission have regular DRCC. See Owner's Manual for additional limitations and details. 36. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details. 37. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details. 38. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. Not available on vehicles with manual transmissions. See Owner's Manual for additional limitations and details. 39. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multiinformation display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See Owner's Manual for additional limitations and details. 40. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for additional limitations and details. 41. At speeds of 9 mph or less, Front and Rear Parking Assist with Automatic Braking (PA w/AB) is designed to assist drivers in avoiding potential collisions with nearby static objects when the vehicle is in Drive or Reverse and approaching crossing vehicles when the vehicle is in Reverse. Do not overly rely on PA w/AB. Always look around outside the vehicle and use mirrors to confirm clearance. Certain vehicle and environmental factors, including an object or vehicle's shape, size and composition, may affect the system's effectiveness. See Owner's Manual for additional limitations and details. 42. This product is not a Genuine Toyota part or accessory and was not designed or manufactured by Toyota. This product is not warranted by Toyota, and Toyota expressly disclaims any warranty for this product, including without limitation, any implied warranties of merchantability and of fitness for particular purpose. Toyota also disclaims all liability for direct, indirect, special, incidental, or consequential damages, including but not limited to, damage to or loss of personal or commercial property, loss of use, cost of purchase of replacement goods, or claims of customers of any Toyota dealer that result from the use of this product. 43. This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. 44. Do not overload your vehicle. See Owner's Manual for weight limits and restrictions. 45. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 46. The universal tablet holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the event of an accident. Tablet sold separately. 47. Public charging experience can vary based on charger level and other vehicle and environmental conditions. Level 3 charging may not be possible below 32 degrees Fahrenheit. 48. HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. 49. When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See Owner's Manual for additional limitations and details. 50. When the system is on, Brake Hold is designed to keep the brakes engaged after the driver brings the vehicle to a complete stop. It may not hold the vehicle under certain conditions and does not function when the vehicle is in Reverse. Brake Hold is not a substitute for safe and attentive driving. See Owner's Manual for additional limitations and details. 51. Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. 52. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. 53. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details. 54. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for additional limitations and details. 55. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details. 56. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for additional limitations and details. 57. Digital Key function requires active Remote Connect trial or subscription. Depends on operative telematics device, availability of compatible wireless network and other factors. Use only if aware of vehicle surroundings and it is legal and safe (ex., do not use if vehicle is in enclosed space or is occupied by a child). Subject to change without notice. Requires app download and registration/subscription after trial (if applicable). Not available on vehicles with manual transmission. Terms of Use apply. Data charges may apply. See Toyota Owner's Manual and https://www.toyota.com/connected-services/. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. 58. This device is not a substitute for safe and attentive driving practices. It is the driver's responsibility to maintain a lookout for pedestrians, cyclists, other cars and objects, and to drive the vehicle in a safe and attentive manner to avoid making contact. 59. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
